

# Honeymoon Registry

## Attention Brides & Grooms ... **REGISTER YOUR HONEYMOON WITH US!**

Tired of the traditional wedding gifts of china, silver and toasters? What about a Caribbean Cruise, an African Safari or European Tour?

If you're looking for an alternative to traditional gifts then you've come to the right place. Register your honeymoon with us and we'll help arrange the perfect wedding gift for you - Your Honeymoon! ❖

## WE'LL HELP CREATE YOUR MEMORIES

Many couples getting married today already have most of the household items that are usually given as wedding gifts and they are looking for alternatives to the traditional gift registries at various stores.

We're pleased to introduce you to our "**Honeymoon Registry**" which we have created because we know many couples wish to have a romantic, exotic and special dream honeymoon. Instead of buying just the usual standard gifts, your guests will be able to contribute to the best present of all - your exceptional honeymoon! Perhaps you'll want to include extras like a dinner cruise, horseback riding, airfare, or a private car for touring; just a few examples!

Our staff will work closely with the bride and groom to help plan a honeymoon within a reasonable budget to enter into their Registry.

We look forward to helping you plan the most memorable event of your life! ❖
